

EVOLUTIONARY EVENTS

Who Are We?

- Creative, Out of the Box Programs, Custom, One of a Kind
- Strategic Partnership versus an Order Taker
- We don't just say "yes" - We say, "How can we make it happen?"
- Small, Devoted Account Team

We are a full-service meeting and event management and destination management company based in Las Vegas, NV. Since 2002, we have been operating as a boutique service organization focusing on growing with its customers and developing long-term relationships to allow the highest levels of service and expertise to be provided at the most cost-effective rates.

We handle events of any size from 10 people to 4,000 people. Hosting a dinner / party event and need a venue? Don't know where to look or where to start? Evolutionary Events can support any and all program management needs, regardless of the size and requirements.
